Brief Description of Beneficiary's Job Duties (attach sheet if necessary):

All I-129 petitions now require a mandatory certification regarding the release of controlled technology or technical data to foreign persons in the U.S. All investigators and departments have been made aware of International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR), including "dual use items", deemed exports and the Commerce Control List (CCL)) which can be found at http://www.lsuhs.edu/no/administration/rs/IBC_Biosafety/default.htm . For purposes of accurately preparing Part 6 of Form I-129, please answer the following questions after review of the above website:

Yes No (1) Will the beneficiary be provided access to any LSU System-owned technical data or technology that is considered proprietary or confidential to the LSU System?

If yes, please attach a separate page with an explanation

Yes No (2) Will the beneficiary be provided access to any third party-owned technical data or technology that is considered proprietary or confidential to the third party owner? This includes US government furnished technical data with dissemination controls or other restrictive markings, as well as ITAR-controlled items.

If yes, please attach a separate page with an explanation

Yes No (3) Will the beneficiary be provided access to equipment specifically designed or developed for military or space applications or be involved in any Department of Defense research projects?

If yes, please attach a separate page with an explanation

Yes No (4) Will the beneficiary be involved in any research projects?

If yes, will any of the research be sponsored, in whole or part, by either the institution or an external sponsor, including the federal government? **Yes No**

If yes, please provide the project name and IBC identification #:

If the beneficiary will be involved in research, please attach or describe the research that will be performed and/or expected including whether the research results will be taught, published, or otherwise shared with the interested public.

Based on the information provided above, with respect to the technology or technical data the LSUHSC will release or otherwise provide access to the beneficiary, the faculty sponsor/department certifies it has reviewed the Export Administration Regulations (EAR) and the International Traffic in Arms Regulations (ITAR) determining:

A license **is not** required from either US Department of Commerce or the US Department of State to release such technology or technical data to the foreign person; or

A license **is** required from the U.S. Department of Commerce and/or the US Department of State to release such technology or technical data to the beneficiary and the petition will prevent access to the controlled technology or technical data by the beneficiary until and unless the LSUHSC has received the required license or other authorization to release it to the beneficiary.

By signing below I certify that all information contained herein is true and correct to the best of my knowledge. (Please note that inaccurate statements may cause LSUHSC-NO and/or its employees to be subject to criminal sanctions for false or inaccurate statements to the government with additional penalties possible for failure to comply with EAR and ITAR regulations for export controls.

AGREEMENT TO ACCEPT RESPONSIBILITY FOR H1B EMPLOYEE

Name of proposed H-1B employee: _____

The U.S. Citizenship and Immigration Service and U.S. Department of Labor have specific regulations regarding H-1B employees. When sponsoring an H1B employee, LSUHSC has certain obligations with regard to those employees:

- Faculty members who request to sponsor H1B employees are bound by the professional and ethical obligations described in the Faculty Handbook, including: "...[P]rofessors have obligations that derive from common membership in the community of scholars. Professors do not discriminate against or harass colleagues. They respect and defend the free inquiry of associates. In the exchange of criticism and ideas professors show due respect for the opinions of others... It is the basic principle that every member of the faculty of whatever rank shall at all times be held responsible for competent and effective performance of appropriate duties." (See [Faculty Handbook](#) at 10.2 and 10.5.1)
- The department agrees to accept fiscal responsibility for the H1B employee for the **entire** period requested and certify that the department has sufficient funding to support the H1B employee's salary (and supplement, if applicable) for the **entire** period requested.

As the signatory for all H1B petitions filed by LSUHSC, the ISO Director makes the final decision of whether action relative to the visa or immigration status of an H1B employee is appropriate or required.

- No faculty sponsor or department head may threaten, imply or suggest possible adverse action with regard to an H1B employee's visa or immigration without prior consultation and approval from ISO.
- LSUHSC policies provide employees protection from discrimination, including discrimination based on national origin. (Please see [CM-10](#), [Faculty Handbook](#) 4.5.2 and 10.6.3.) H1B employees may not be treated differently because of their H1B status.

CERTIFICATION BY DEPARTMENT

*Should any problem occur with the H1B employee regarding employment, finances, etc., we agree to notify international services **prior** to initiating any action regarding the H1B employee, **including placing an employee on Leave Without Pay**. In addition, we agree to follow the appropriate standard LSUHSC procedures in remedying such problems. **We have read and agree to the above stated terms required to sponsor an H1B employee in the department.***
