Question 1

Human Subjects Research

Please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Basic Course for that group.

This question is required. Choose one answer.

- Biomedical Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Biomedical research with human subjects.
- Biomedical Refresher Course: Choose this group if your training has expired & you have been told to take the Refresher Course.

- Essentials of Statistical Analysis (EOSA)
- Not at this time.**

Question 7

Research Study Design (RSD)

Please make the appropriate selection if you need the **Research Study Design** course.

- Research Study Design (RSD)
- Not at this time.**

10. The selected course(s) will be added to your **Courses Ready to Begin** list. Click **Start Now** to begin the course.

The screenshot displays a user interface for the Louisiana State University Health Sciences Center - New Orleans. At the top, there is a blue button labeled "Institution List". Below it, the institution's name is centered. The page is divided into two main sections: "Active Courses" and "Courses Ready to Begin". The "Active Courses" section shows a message: "You have no active courses for this Institution." The "Courses Ready to Begin" section is circled in red and contains a course card for "Biomedical Research - Basic/Refresher". The course card includes the text "Louisiana State University Health Sciences Center - New Orleans", "Biomedical Research - Basic/Refresher", "Stage 1 - Basic Course", and "0 / 12 modules completed". A blue "Start Now" button is circled in red on the right side of the course card. Below the course card, there is a section for "Conflicts of Interest".

11. Follow instructions to complete the course and document completion.
