What do you hope the Staff Senate accomplishes, and why are you a Senator?

My hope is that the Staff Senate continues to fulfill its mission of promoting and protecting the welfare of LSUHSC-New Orleans staff. I chose to serve as a senator because someone saw me in the ability to listen, advocate, and help improve the day-to-day experiences of the people I work alongside. I'm grateful they recognized those qualities, because I truly believe every staff member deserves to feel heard, valued, and supported.

Why do you enjoy working at LSUHSC?

I enjoy working at LSU Health New Orleans because it's more than a workplace, it's a community. We are a family of dedicated individuals whose collective efforts strengthen not only our institution but the community that surrounds us. Being part of that shared purpose is something I deeply appreciate.
